ARTICLE XII

Section 2. Laws shall be passed, taxing by a uniform rule, all moneys, credits, investments in bonds, stocks, joint stock companies, or otherwise, and also all real and personal property according to its true value in money, excepting all bonds outstanding on the first day of January, 1913, of the state of Ohio or of any city, village, hamlet, county or township in this state or which have been issued in behalf of the public schools in Ohio and by the means of instruction in connection therewith, which bonds outstanding on the first day of January, 1913 shall be exempt from taxation but burying grounds, public school houses, houses used exclusively for public worship; institutions used exclusively for charitable purposes; and property used exclusively for any public purpose, and personal property, to an amount not exceeding in value five hundred dollars, for each individual, may, by general laws, be exempted from taxation; and laws may be passed to provide against the double taxation that results from the taxation of both the real estate and the personal property of the same owner, or other lien upon it, but all such laws shall be subject to alteration or repeal; and the value of all property, so exempted, shall, from time to time, be ascertained and published as may be directed by law.

SPENCER NEWS

SPENCER

Willie Moore has sold his house and lot on South Main street to James Sears of Chatham. We all like to live in a real live town.

The terrible forest fires of Minnesota produced a weird effect on the atmosphere here Sunday, making one think he was looking through colored glass. Many prophesied as to the cause. A few pessimists thought the world was coming to an end.

John Monosmith has sold his home on South Main street to Mr. Kemery of Lodi.

Frederick Dague has also disposed of his home on South Main street, Wm Gault being the purchaser.

Willie Moore jumped into the limelight last week, selling two new Studebaker sedans, one to Mrs. Mary VanValkenburg, the other to George Bouthinon.

Work on the new allotment on S. Main street is progressing rapidly.

The grading is nearly done. Spencer begins to look as though she would have a suburban district.

Mrs. Ida Auble has sold her property formerly belonging to Mrs. Jennie McKinney, on West Main street, to Verna Ackerman, who expects to make it her home soon.

Dr. Stephens is quite sick at his home with the Spanish flu.

There are a large number of influenza cases around here with only one fatality so far. Blake Myers, one of Spencer's fine young men, succumbed to the disease on Monday at 5 p. m. Blake had been in poor health the past two years. Everything that science could do was done for him. Last winter was spent in Florida by himself and parents and sister, Pauline, and all were expecting to return to Florida this winter. The whole community grieves in sympathy with the family.

Another shock was given to our community Monday when word reached here that Arthur Johnson, another widely known young man from Spencer, but for the past two years in business at Wellington, had died of the same disease. Mr. Johnson had a prosperous business and was a man in high standing in Wellington and Spencer.

Among the many cases of Spanish flu that have come to our attention, are Leon Whitbeck and nearly all of his family, Mr. and Mrs. Clyde Howe, Mr. and Mrs. Alvin Gallatin, Dr. Stephens, Raymond and Thomas Lamp. It seems to be the worse epidemic that has invaded our community in many years.

The storm brought a fine baby girl to the home of Mr. and Mrs. Morris Hassin Saturday.

Quite a number of rural residents were disappointed Saturday evening because the free movies were suspended for the winter.

Sept. 30, 1918.

Was acting as sergeant of the key today; we had to let prisoners out and keep account of them.

The camp is quarantined now for Spanish flu. Suppose you have heard about it. I guess it is all over by the way the papers read. The fort being in quarantine, we had to put out guards clear around the reservation and it is about four or five miles around. I had to make the round every two hours and I am certainly some tired. It is some lonesome here now; they won't allow the Y. M. C. A. to have any entertainments.

October 4, 1918

The quarantine isn't lifted yet, but as soon as it is lifted am going to try and get a pass to come home. We drill only three hours a day now and often we won't have to drill but an hour a day, just for exercise.

I took a \$50 Liberty Bond today. Will close for this time, hoping this finds you all well.

Your loving son,

Corporal Alfred Ensign.

Co. A, 36 Bat. U. S. Guard

Fort Sheridan, Ill.

we will have good roads to the east, without any breaks.

The Trophy Train which was in Lodi last Thursday, drew a large number from over a big part of the county. The soliciting brought subscriptions totalling over \$15,000, which was larger than usual for towns of this size.

Miss Slater, former Lodi teacher, visited at Mrs. Reed's over Sunday.

The coat of paint on the front of the Ainsworth block and the Peoples National bank is a marked improvement.

The Lodi Guards had a very interesting and exciting drill on Tuesday evening. They marched out to the north end allotment and went through extended order movements.

New electric lights have been put upon the school grounds so that drilling after dark can now be done.

BURBANK

Royal Eby of Barberton visited friends here Friday.

Virgil Simcox of Homer, was in town Sunday.

Wm. Neumeyer visited his parents here Sunday.

John Smith of Jeromeville, visited his sister here Sunday.

James Moore and family of Sterling visited at the Charles Schaad home on Friday.

Glen Schaad was in Akron Tuesday.

Mrs. Herman Walters and Mrs. John Baughman visited at the Samuel Repp home Tuesday.

Jesse Young of Rittman, spent Sunday with his mother here.

Harry Burd and wife were in Wooster Wednesday.

Ira Swartz was in Rittman Wednesday.

Yancy and Quince Malcomb of Akron, spent the week-end at the home of their parents.

Milo Brinkerhoff and wife of Akron visited friends here Sunday.

HOMERVILLE

C. F. Camp has sold his modern home and 170 acres of land at Homer-ville to Robert L. Houston of Akron. Possession of the farm will be given November 1, and of the house next April. The consideration was nearly \$35,000. The deal included the farm equipment, except the horses. Mr. Camp has always resided on this farm and for the past 40 years has given his attention to live stock, especially to Percheron horses. Western Reserve Stock Farm is known for many miles as a model farm, and is visited by hundreds of persons each year. Mr. Camp intends to travel for a year or so, taking a much earned rest. His numerous friends in this vicinity hope that he will continue to reside here.

ANNUAL MEETING

The annual meeting of the Medina Horseman's Protective Company will be held at Medina, Ohio, in the town hall, on Saturday, Oct. 19th, 1918, at 1 o'clock p. m.

F. E. CLARK, Sec'y.

We always try to please every patron of our Job Printing Department—give us your next order and make us prove it and be pleased too.

Ft. Sheridan, Ill. Sept. 1, 1918.

Dear Mother and All:

Well, I am at Fort Sheridan. We got here last night at 2 o'clock and had a nice trip. Left Camp Sherman at 8:45 and went thru Columbus and Toledo. The Red Cross gave us cookies, lemonade and cigarettes at Toledo and they gave us coffee and sandwiches and cigarettes at Elkhart, Ind. We went thru Chicago after night. It is some town and took us about two hours to go thru. Fort Sheridan is situated about 40 miles west of Chicago.

Some different barracks here than at Camp Sherman. They are all brick and we have nice beds, pillows and mattresses and closets to hang our clothes in. And it is on the north-west side of Lake Michigan. We were down to the lake this morning and there is a nice breeze here all the time. I like it here better every day. We have such nice officers here, they are just like fathers to us.

September 3, 1918.

We don't have to drill as hard as we did at Camp Sherman. I was drilling a squad today. It was the first time I have drilled any men and you know I am not very bossy, but I think I will be all right in a short time. The captain said if I made good as corporal I would be examined for sergeant about Xmas.

There is certainly a good chance to work up here because this battalion is just starting. But he said the U. S. Guard had to be trained better than the regular army, so you can see a fellow has to work hard to be a non-commissioned officer. The ones in the U. S. Guard are the ones not fit for overseas.
